

Véronique COXAM

Date of birth : December 1961, France
Married, 2 children

Phone: 04 73 62 46 32
GSM : 06 32 32 09 92
Email : coxam@clermont.inra.fr

Work address
Unité de Nutrition Humaine (UMR1019)
INRA Theix, 63122 Saint Genès-Champanelle, France

Home address
45 avenue de Beaulieu
63122 Ceyrat, France

Research scientist
Head of the Nutrition Skeleton and Metabolism Team
Deputy head of the Human Nutrition Unit
INRA, Human Nutrition Unit, Theix, France (Head associate)
Research Centre for human Nutrition (CRNH d'Auvergne)

EDUCATION AND QUALIFICATION

1985 Certificate in advanced studies (equivalent to master/honours degree) in Metabolisms, Endocrine Regulations and Nutrition (University of Clermont-Ferrand, France)

1990 Ph.D in Physiology (University of Clermont-Ferrand, France)
Thesis entitled : Regulation of the somatotrope axis in the calf during the perinatal period. Relationship with bone growth

1993 Postdoctoral degree (Regulation of bone metabolism during ageing) (University of Utah, USA)

2000 Entitlement to supervise research (Bone metabolism and prevention of osteoporosis) (University of Clermont-Ferrand, France)

WORK EXPERIENCE

Currently Research scientist
INRA, Human Nutrition Unit, Theix, France (Head associate),
Head of the Nutrition Skeleton and Metabolism Team
Research Centre for human Nutrition (CRNH d'Auvergne)

1992-1993 Postdoctoral fellow
Radiobiology Division, University of Utah, Salt-Lake City, USA (Head : S.C. Miller)

COMPETENCE: Nutritional prevention of osteoporosis
KEY WORDS : Ageing, Osteoporosis, Micronutrients, Postmenopausal Women, Animal Models

ACHIEVEMENTS

Around 120 original papers published in peer-reviewed scientific journals, more than 100 congress papers, 17 book chapters, 4 patents

31 conferences as invited speaker in international symposia and 49 in national symposia

Currently teacher of human nutrition (master/honours degree, University of Clermont-Ferrand, INA Paris, Dijon, Besançon, Bordeaux... ; education for industrialists, physicians)

Involved in the scientific promotion within the Research Centre for Human Nutrition (CRNH d'Auvergne)

Member of different symposium scientific committees

National (Anses) and international expertise (Grees, Ilsi, DFG...)
